4 Week Fitness Challenge

Are you ready for an a-MAY-zing May?!! This free challenge is a 4-week workout plan for you to get fit, have fun, and feel fantastic!

Click on the underlined workout for the day- it will take you to that particular workout on YouTube.

Some workouts are quick; some are longer; all are designed to be effective. There are low impact, low intensity, steady state cardio workouts that tone your whole body and on other days there are more targeted, toning workouts for your abs, arms, and legs.

If you want to increase the calorie and fat-burning, add weights. You may also want to add some Tabata/HIIT workouts to your routine. I offer some in a playlist on my YouTube channel.

Be consistent with the workouts and follow the plan.

You can do this!
