Are you ready to jump into June? Let's do this! This free challenge is a 4-ish week workout plan for you to get fit, have fun, and feel fantastic!

Click on the underlined workout for the day- it will take you to that particular workout on YouTube. Easy, right?

Some workouts are quick; some are longer; all are designed to be effective. There are low impact, low intensity, steady state cardio workouts that tone your whole body and on other days there are more targeted, toning workouts for your abs, arms, and legs.

If you want to increase the calorie and fat-burning, add weights. You may also want to add some Tabata/HIIT workouts to your routine. You can find them on my YouTube channel along with over 100 different workouts - perfect for women over 50, beginners, or anyone who wants to get fit!

Be consistent with the workouts and follow the plan.
